

Pulp rectangular containers

BePulp

Sabert BePulp Solutions are a range of innovative and recyclable trays of plant origin. They are the best choice in sustainable packaging as it combines natural look design with exceptional performance, using pulp that comes from fibres of plant origin, natural materials which are both abundant and renewable.
The entire range of Bepulp food container is recyclable.
Our sustainable Bepulp packaging offers many practical options (salad bowl, poke bowl, pasta box, ...). It is table-ready and designed to withstand any condition, from freezers to ovens. Sabert manufactures both the bases and lids, ensuring optimal lid fit and leak resistance. Available with its PET lid (for excellent product visibility).
