

Pulp rectangular containers Ultra Coated

BePulp

Our BePulp Pulp Ultra® offers outstanding performance and versatility for both hot and cold ready meals. Made from plant-based fibres, natural materials which are both abundant and renewable, without intentionnaly added PFAS and coated with our innovative ULTRA formulation, our Bepulp ULTRA range is home compostable and recyclable. It is certified for use in the microwave, conventional and high-speed ovens, as well as in the freezer. Its heat-sealable design ensures maximum product visibility while providing ease of use.
