Recyclable Cardboard / Paper Collection

Light, sustainable, and great at keeping liquids insulated thanks to their double wall structure, our sleeves offer a very comfortable and secure grip for hot drinks. Made from recycled corrugated cardboard, they are fully recyclable (glue will be dissolved during the recycling process)
> Two sizes available: 8 oz, and one for multiple sizes (12-20 oz).
From single-serve hot beverage sleeves and coffee spoons to bulk containers for catering, Sabert has a corrugated packaging solution for your drink packaging needs. Durable and resilient, our Kraft beverage packaging is designed for safe and convenient transport of all beverages and includes options for custom printing to promote your brand.
