

rPET round plate

Chilled rPET Food Packaging

Sabert offers the largest assortment of recycled and recyclable PET plastic plates with covers, with a very large choice of design, colours and dimensions. Thanks to an exclusive lamination process, Sabert black, marble, but also silver plates offer outstanding renders with perfect illusion of stainless steel and reusable catering plates.
An adapted lid is indeed available for each disponsable plate, with a very efficient closing system and strong stackability features, which guarantees secure food transportation.
The benefits of our plastic plates:
> Sabert's ingenious design, like ultra-secure clip-on lid systems of Ultimate and Gourmet Platters, help to save time.
> Our high quality lamination process delivers a genuinely life-like result.
> Resistant to liquid, wet and oily food, our round plates will stay rigid and perform with all type of cold food.
> Cardboard catering boxes are also available for our main platter solutions.
