

Pulp tableware plates

BePulp

Find out our tableware plates: their original, stylish and outstanding
design, in line with high end and trendy permanent tableware, they will give the perfect impression and enhance your culinary creativity. The perfect combination of disposable plates and sustainable development, since they arere made from plant-based fibres, natural materials which are both abundant and renewable, without intentionnaly added PFAS. Thanks to their large rims, Wave Plates are strong and convenient: they keep their rigidity and are easy to manipulate and to eat from with any type of food.
