

Tray2Go Sushi Tray

Recyclable Cardboard / Paper Collection

Our new sustainable cardboard tray, your new sushi tray or the platter tray for any chilled food-to-go including confectionery and bakery products. Practical to use, our multifunctional and versatile cardboard tray Tray2Go range features a robust doublewall tray and an anti-fog rPET lid, perfectly nestable and designed for secure stacking, while retaining excellent product visibility. The innovative and patented secure fitting high-clarity click-lock lid locks securely in place, offering great product protection for food-on-the-go and delivery, and enables fast closure for more efficient preparation in the manufacturing process.
Available in 7 sizes, black or in the Zen Range version.
