

Hinged Rectangular PP Box

Fastpac & Hot Delivery

Our Multi-Usage PP Solutions range combines round containers with a common lid and rectangular hinged containers to cover a wide variety of food service, takeaway and delivery applications.
Made from ultra-clear PP, these containers offer excellent product visibility and an attractive presentation while delivering the durability required for everyday use. Suitable for hot foods and microwave applications, they provide a practical and cost-effective packaging solution for professionals looking for versatility and efficiency.
