

# Tray2Go Sushi Tray

Recyclable Cardboard / Paper Collection

Anti-fog rPET lid for the cardboard trays Tray2Go allows an excellent product visibility. The innovative and patented secure fitting high-clarity click-lock lid locks securely in place, offering great product protection for food-on-the-go and delivery, and enables one-hand closure for more efficient preparation in the manufacturing process. The rPET lid is made from at least 50% of recycled materials.
